## **Lodge refurbishment**

We've recently refurbished the lodge extensively - here is a brief selection of our new photos taken by acclaimed photographer Roger de la Harpe.

## **Introducing Tuli Bush Camps ...**

We've also totally renovated Nokalodi Tented Camp with new tents, bathroom and roofs. It has been rebranded under our Tuli Bush Camps banner together with Molema - offering two beautifully sited self-catering destinations on the banks of the Limpopo River, with a choice of tented camp, wooden cabins or camping. Guided game viewing activities and catering are available on request. For more info please see [www.tulibushcamps.com](http://www.tulibushcamps.com)

## **Dates for Wildguides @ Tuli**

Wildguides @ Tuli is an action-packed 4 day course designed to equip our guests with some of the skills and awareness of a safari guide. Run in partnership with Okavango Guiding School, Botswana's leading guide training organisation, it is ideal for people who want to extend their knowledge and go beyond the 'usual' safari experience.

The adventure includes tracking, reading animal and bush sign, predicting animal behaviour, understanding the interactions between animals and plants, approaching potentially dangerous animals, navigating using the stars, operating a spotlight, off-road driving and rifle handling.

Accommodation is at the newly refurbished Nokalodi Tented Camp and the course dates for 2009 are: 4-7 May, 8-11 May, 31 Aug-3 Sept and 4-7 Sept. P6900pp sharing (approx. R9000/\$887).
