

## **TULI ADVENTURE TRAIL**

***A varied, action-packed adventure in the Northern Tuli Game Reserve, Botswana - a unique, timeless part of Africa where nature and culture combine in spectacular wildlife, breathtaking landscapes and fascinating history. Easily accessible from South Africa, the Tuli Adventure Trail is an affordable wilderness experience which combines nights under canvas and at a hide together with lodge accommodation. Activities can be tailored to guests' specific interests with an emphasis on walking, plus a meaningful community visit and memorable trip to the confluence of the Limpopo & Shashe Rivers where Botswana, South Africa and Zimbabwe meet.***

<b>Day 1</b>	Meet your guide at Pont Drift border post and transfer to Nokalodi Tented Camp in time for a light lunch served under an ancient Nyala Berry Tree. Nokalodi overlooks beautiful riverine bush and is backed by a massive sandstone cliff where resident Black Eagles nest. The comfortable tents have en-suite outdoor bathrooms & private patios. A brief rest, then off on your first adventure with an afternoon guided game drive followed by a stop for sundowners and a twilight drive home with the spotlight. A traditional dinner provides a warm welcome back to camp.
<b>Day 2</b>	Wake up to a light breakfast before setting off on a morning walk, exploring the beautiful wilderness of Tuli on foot before returning to camp for a sizzling brunch. Enjoy an afternoon at leisure in the peaceful atmosphere of Nokalodi, perhaps spotting some wildlife from your patio and enjoying sundowners overlooking the Limpopo. After dinner, it's time for the excitement of a night drive and the opportunity to spot some of the area's nocturnal species.
<b>Day 3</b>	Awake to the sounds of the bush & after a light breakfast enjoy a game drive to the confluence of the Shashe and Limpopo rivers, a unique and scenic spot where Botswana, South Africa and Zimbabwe meet. Return to camp after a picnic lunch and get ready to stretch your legs with a guided walk to the hide. After dinner overlooking the waterhole, you'll be ready for a well-deserved sleep under the stars. Don't forget to have your binoculars handy just in case!
<b>Day 4</b>	Sunrise out in the bush together with tea/coffee & muffins before another fascinating walk takes you to Tuli Safari Lodge - your charming home for the next two nights, nestling on the banks of the Limpopo. Once you've settled into your suite, you'll be ready for a hearty brunch and then have time to enjoy the lodge – perhaps having a swim, visiting the hide or maybe just having a snooze! Afternoon tea is followed by a drive with a stop for sundowners at one of our dramatic viewpoints. Dinner this evening will be in the lodge's boma together with entertainment from the Tuli staff choir – ending day 4 on a high.
<b>Day 5</b>	After a good night's sleep you can set the pace of the day with optional activities including an opportunity to visit a local village or maybe a horse ride (extra charge applies for riding – experienced riders only). Alternatively, join in with the lodge's morning & afternoon game drives or walks. However you've spent your day, dinner in a special location out in the bush or in the lodge grounds will be a perfect finish.
<b>Day 6</b>	An early morning game drive followed by breakfast marks the end of your Tuli Adventure Trail, leaving you refreshed and exhilarated ready for your onward journey.
